

3. BE OPEN TO GUIDANCE

Whatever guidance you seek in your current situation, please know that it is on the way! Once you say a prayer or ask the Divine a question, pay attention to the signs and synchronicities that come your way (rest assured that they will!), and you will notice that you are being carefully guided every step of the way. As a side note, the simpler your question is (preferably, a Yes or a No), the easier it will be to interpret the signs. You can also ask for a specific number of signs (3 tends to work great) before making the final decision. Remember, you are NEVER alone and help is always available. You are ALWAYS guided, supported, and loved.
