

20. CHOOSE LOVE

Regardless of our how spiritual we try to be or believe we are, we are also mere mortals--which is why staying aligned with the LOVE within our soul--is not always the easiest task.

At some point, we all get “out of tune” with love and that's to be expected.

Especially, when the important people in our lives let us down or say/do something hurtful and hugely inconsiderate.

And yet, your soul is urging you to think of those who may have hurt or mistreated you as not being in tune with the LOVE within THEM.

They are not living THEIR highest truth (and this may also be a karma-related situation). But they can still be your teachers in many ways.

So, instead of taking things personally--try to look at everyone around you through the eyes of LOVE; the eyes of God.

Look beyond their ego or personality and into the core of their being; their SOUL. Send them your blessing, so they too, can become more attuned to and aligned with the Divine. Treat THEM as you wish they had treated YOU; the Universe will do the rest.
