

18. EMBRACE YOUR AUTHENTICITY

Authenticity means living in alignment with WHO you are at your core or your soul level.

As children, being authentic comes naturally, but over the years and under societal pressure of all kinds, we often bury numerous parts of our selves that represent who we truly are deep inside.

This little soul message is meant to encourage you to let those beautiful (and possibly hidden) parts of YOU shine once again.

Don't ever be afraid to show your quirks and follow your calling in whatever way feels most natural to you. Your uniqueness is what makes this world such an interesting and beautiful place.

It is also what is so interesting and attractive about YOU!
