

12. LISTEN TO YOUR INTUITION

Intuition is your soul's way of letting you know everything you NEED to know at this moment. It is your connection to the Divine, which is ALWAYS available to you as long as you are OPEN to receive it.

We are ALL intuitive beings and intuition works just like a muscle—
—the more you train yourself,
the stronger it becomes.

Receiving this particular message right now is a sign that your intuition longs to be heard and acknowledged.

What is it trying to tell you right now?

How is it trying to guide you?

Please pay attention to the signs that appear repeatedly around you and take some time to tune in and listen to your FEELINGS; not just your thoughts.
