

30. REALIZE HOW UNIQUE YOU ARE

Your soul is reminding you to take some time to appreciate YOURSELF and your uniqueness.

Please take pride in being who you are and make it a point to NEVER compare yourself to anyone else!

We are all completely unique beings with different talents, desires, and skills. Each one of us has a certain path in life, and yours may have nothing in common with anyone else you know.

It's wonderful to have "role models" or people you look up to, who can inspire you to do some beautiful things!

However, if at any point you feel compelled to make a comparison,

focus on what it is that YOU do well and are proud to have accomplished.

Now take that positive energy into your next endeavor and create something incredible and as unique as YOU are!
