

44. SHARE YOUR LIGHT

Among other qualities,
your soul is a combination
of all the kind and wonderful things
you've done for others
and said to or about them
over the span of all your lifetimes.

Every time you supported,
accepted, appreciated, validated,
or made someone laugh--
your soul was able to share its love
through your body's physical vessel.

This message is a reminder
that you were born into this world
with SO MUCH beauty, love,
and light within you!

Don't be afraid to share it with others freely
(it is a part of your soul mission),
and when you do--the Universe
will always give it back to you a hundredfold!
