

29. STAY OPEN

So often we believe that we KNOW what's truly best for us and what or whom we need in life... Only to find out later that what we had imagined as our ultimate salvation/goals/dreams--was merely an illusion all along. This can be hugely disappointing and disheartening...

As a result, it causes many of us to shut down and stop believing that we still have SO MUCH to look forward to and experience!

But what if you are exactly where you are supposed to be right now?

Your soul and your spirit guides are encouraging you right now to TRUST that the Divine is constantly guiding you through any and all of your challenges

and it WILL present you with the perfect opportunities and people

as long as you stay open, hopeful, and receptive.

Hang in there, beautiful soul, the best is yet to come!
