

## 24. SURRENDER

When you feel lost, confused, and frustrated...

Please remember 2 things:

1. That nothing lasts forever, so “this too shall pass.”

And 2. That you DO NOT have to suffer alone!

Your spirit team is ALWAYS here for and with you,  
helping and guiding you in every way  
whether you realize it or not.

During a challenging situation your soul  
and your spirit guides are asking you  
to surrender your need to KNOW or DO  
anything about it right then and there.

Give your uncertainty and frustration to the Divine.

TRUST that you WILL receive guidance  
exactly when you are supposed to.

Surrender your need for control  
and for wanting to know all the reasons  
why something is happening.

We may never know all of them while we're in human  
form, but we ALWAYS have a choice  
when it comes to interpreting the meaning  
of any given situation and letting it  
define our present and future.
