

## 25. THE POWER OF PRAYER

Your soul wants to remind you not to underestimate the power of a genuine PRAYER that comes from your heart.

Every prayer of yours is a request you send the Divine to intervene in some way, and it will never be ignored.

Every single one is heard and answered whether you realize it at this moment or not. It may not be answered as quickly as you would like, and maybe it is not answered in the way you expect...

But please don't let that discourage you from reaching out to your spirit guides/higher-self and asking for help (and for signs) whenever you need it support!

Please be patient and clear, and TRUST that you ARE being heard and guided, and there is nothing the Divine can't help you with!
